

What is ISAP?

ISAP is a program that provides future leaders with opportunities to develop business and cultural capabilities of Asia, along with the opportunity of an immersion experience!

Benefits of ISAP

- Attend selective professional events where you'll hear from various business leaders across the country.
- Share knowledge and develop friendships with like-minded peers at USF and in universities across Asia as they explore common interests in industry, finance, development, and other areas.
- Develop your professional network and career prospect by gaining access to exclusive internship opportunities.
- Participate in a 4-credit course, China Academic Global Immersion (AGI), consisting of a course on China Innovation and Global Integration and a one-week immersion trip to China.
- Gain access to exclusive new scholarships!

We hope to see you at our first open house for Fall 2021! For more information, questions, or application questions, please contact **ISAPUSFCA@gmail.com**
